

SEAMLESS GLOBAL MESSAGING FOR SMARTPHONES IS HERE

Meet ZOLEO

For Those Who Venture Beyond Mobile Network Coverage

Only ZOLEO works with your phone or tablet to provide seamless global messaging that follows you beyond mobile network coverage, and back again. It also includes added safety features you can count on world-wide.

What makes ZOLEO unique is that it transmits messages over **satellite, mobile network and Wi-Fi**, so you can count on your connection wherever you go. Never miss a message again!

ZOLEO Enables the Connections That Matter

Being off-the-grid doesn't have to mean being out of touch – or leaving your sense of security behind.

What can ZOLEO do?

Global 2-way messaging

(text, email, app-to-app)

SOS alerting with 24/7 monitoring from Global Rescue

Get weather forecasts

from AerisWeather®

Check in to let others know you're OK

Share your GPS

location

Make it easy for contacts to **reach you anywhere**

24/7 access to **non-emergency medical advice**

Connects via **Bluetooth LE**

ZOLEO, for Wherever You Go

When you're beyond mobile network coverage...

The ZOLEO satellite communicator connects with our free app, on your phone or tablet, so you can send and receive messages anywhere on the planet via the Iridium satellite network*.

** When there's no mobile network or Wi-Fi coverage, ZOLEO transmits messages over the Iridium satellite network. Iridium provides coverage over every inch of the planet – including landmasses, oceans and airways.*

When you're within mobile network coverage...

Uniquely, the ZOLEO App seamlessly delivers messages over mobile network and Wi-Fi. You'll get the message, even if your ZOLEO satellite communicator is turned off or being used by a friend!

Global Messaging, as It Was Meant to Be

Use ZOLEO to enjoy a truly seamless global messaging experience from your phone or tablet, at a price you can afford.

- **Extends your messaging coverage** seamlessly by transmitting over satellite, mobile network and Wi-Fi
- Offers a **familiar messaging experience**
- Makes it easy for contacts to reach you via your **dedicated ZOLEO SMS number and email address**
- Priced to ensure you **enjoy more value for your money** versus other communicators

Safety Features for Peace of Mind

Wherever you go, you'll have access to SOS alerting, check-in and weather forecasts. That's added peace of mind for you and for everyone waiting at home.

How does SOS work?

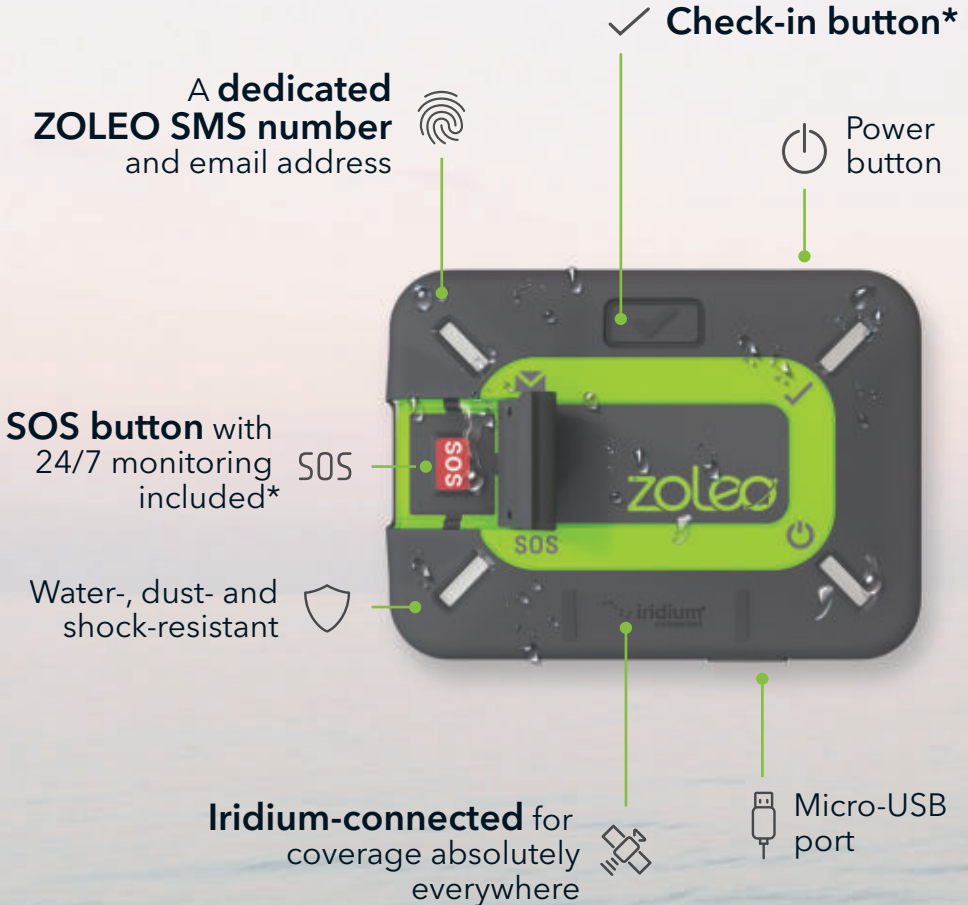

Your SOS alert and GPS coordinates will be sent to Global Rescue, our professional 24/7 emergency monitoring partner. Global Rescue will respond to your emergency and dispatch help to your location. Plus, you'll be able to use our free app to exchange messages throughout! And if your situation changes, you can cancel the SOS via the ZOLEO device or app.

TIP: ZOLEO also includes Medical Assist, 24/7 access to non-emergency medical advice via the free ZOLEO Mobile app.

Getting to Know ZOLEO

Compact and durable, ZOLEO has a long-lasting battery and superior water-resistance. You can count on it wherever you go.

*SOS and check-in work directly from the device, or via the ZOLEO App.

ZOLEO Mobile App

available in multiple languages

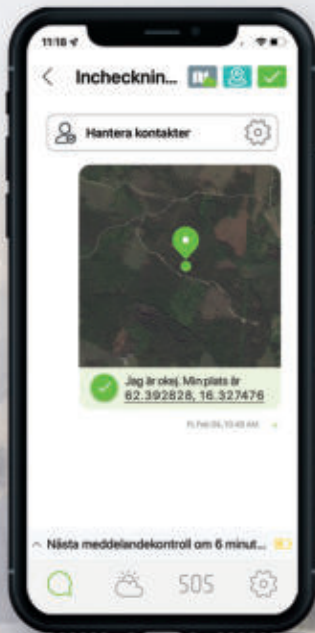

Our free app* is the key to all of the awesome global messaging and safety features of ZOLEO.

Messaging

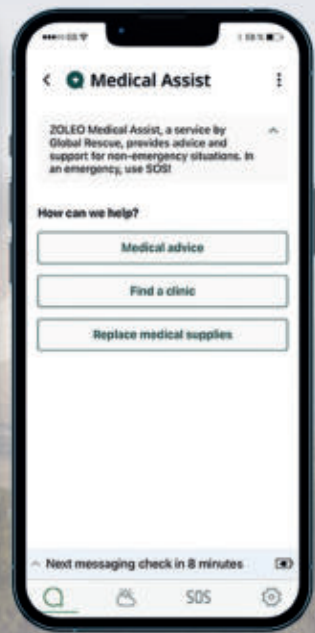

SOS Alerting

Check-in

Weather

Medical Assist
24/7 access to
non-emergency
medical advice

Share Your Location

Let others know where you are with these standard features:

Share your GPS coordinates in a message

Automatically include your GPS coordinates with check-in messages (optional)

Share the last reported location or breadcrumb trail of selected devices using a secure Share Map URL

Location Share+ (Add-on subscription)

Location Share+ enables ZOLEO users to automatically share their location with their check-in contacts, on a user-selected interval from every 6 minutes to 4 hours. Recipients will be able to use the free ZOLEO app to view the current location and breadcrumb trail on a map. ZOLEO users can start/stop location sharing any time, and also download maps for use offline. **Location Share+ is an optional add-on subscription* that includes unlimited check-in and location share messages.**

**Note: Additional charges apply and can be cancelled any time. For pricing, visit zoleo.com/plans.*

Accessories

ZOLEO Cradle Kit

Secure the ZOLEO device for quick access on a belt, strap or any accessory with a camera-mount. The cradle locks ZOLEO in place when used with the interchangeable inserts.

ZOLEO Universal Mount Kit

Secure and charge the ZOLEO device on the windshield of a vehicle or vessel, or any window. Includes the complete Cradle Kit, plus a USB car charger and RAM® Twist-Lock™ Suction Cup Mount for a strong hold on any glass or non-porous plastic surface.

ZOLEO Float

The bright and buoyant ZOLEO float is specifically designed to keep your ZOLEO device visible and safe in the water. Complete with a stainless-steel ring, the ZOLEO float can be attached to your ZOLEO device (with or without the cradle and insert) to keep it safe and afloat when submerged in water.
